Tuesday Night's Fire

About 11:40 last Tuesday night fire broke out in the barn in the rear of Dr. Gottenberg's residence, on Napa street, near the postoffice. The barn was a two-story structure, and the upper part was utilized for living rooms. Jack Gottenberg was occupying an up stairs room when the conflagration began. Aroused by the crackling of the flames, Gottenberg attempted to escape through the door, but found the stairway a mass of flame. He then jumped through the window in the rear to the ground, a distance of fifteen feet. He ran around the barn and tried to enter from the front and save his belongings, but found it impossible. He then gave the alarm, to which the fire company soon responded. In the mean time the Castex barn adjoining caught fire, and before the flames could be extinguished both barns were totally destroyed. The horses, harness and rigs were gotten out safely, however.

There was no insurance on any of the property burned, the principal losers being Dr. Gottenberg, A. Castex, Mrs. Claude Burlingame, Jack Gottenberg, and Mrs. H. Appleton, the latter having had some valuable personal effects stored in the Gottenberg barn. Jack Gottenberg was painfully burned and bruised during the excitement and had a very close call. The loss is estimated at \$1500.

Pioneer Passes Away

Nathan Simons Bernard, a pioneer of this valley, passed away at his home, near this city, last Saturday evening.

Deceased was a native of Woburn, Mass., and 85 years of age at the time of his death.

The funeral took place Wednesday and was largely attended. Interment was in Mountain Cemetery.

Corner-Stone Laying

Next Thursday, June 11th, the corner-stone of the Administration Building of the Home for the Care and Training of Feeble-Minded Children will be laid at Eldridge by the Grand Lodge of Free and Accepted Masons of California, at the hour of 1:30 p. m.

The Board of Managers, which is composed of C. E. Haven, William Lyons, Walter Frear, Joseph P. Berry and A. C. Bane, has arranged an interesting program for the occasion.

In speaking of the event, the Press Democrat of Tuesday morning has the following to say:

President Charles E. Haven, of the Board of Managers of the Glen Ellen Home for the Care of Feeble-Minded Children, has asked Elbert R. Sawyer of Santa Rosa to procure a handsome silver trowel, which will be presented to Grand Master Pettine of the Masonic Grand Lodge of California when he lays the corner stone, on June 11th, of the new administration building at the State's institution in Sonoma Valley.

In connection with this important event, and in view of the fact that hundreds of people are expected to be present from all over the county and State, it has been decided to have a monster basket picnic, and people are invited to bring their lunch baskets along and eat their luncheon under the shade trees in the vicinity of the Home. Dr. William J. G. Dawson, the efficient Superintendent of the Home, has kindly promised to have lots of nice, hot coffee on hand, which everybody can have at lunch time.

The visit to the Home will be an interesting one for those who are unaware of the scope of the work of the institution located in Sonoma county.

The idea of having a basket picnic is considered an admirable one, and is sure to meet with popular favor.

The two surviving founders of the Glen Ellen Home—Mrs. Judah and Mrs. Bentley—will be honored guests of the occasion. Special invitations will be forwarded to them, and their presence is especially sought when the first step is taken in the laying of the corner stone of the administration building to complete the plans contemplated years ago. The possession of the big building will mean much. The present Board of Managers, headed by Major Haven, are naturally pleased at the coming fruition of plans long since born and remaining unfinished.

June 11th promises to be a red-letter day at Eldridge, and a cordial invitation is extended the public to be present and witness the imposing ceremony. Take your lunches and go.

Ernest Hauto Dead

The sympathy of the community goes out to the bereaved ones in the loss of the infant son of Mrs. J. P. Hauto, who passed away at Berkeley last Monday morning. Ernest was 2 years and 8 months old.

The remains were brought to this city last Tuesday evening. The funeral took place Wednesday morning at 10 o'clock from the home of Mr. and Mrs. Andrew Goess, on Spain street, and was largely attended by sorrowing relatives and friends. Interment was in Mountain Cemetery.

A. E. Sondag, the Tailor

A. E. Sondag, the tailor, formerly of Sonoma, was in the valley this week taking orders for men's tailor-made suits. Mr. Sondag and family are temporarily located in Fruitvale, but the former expects to get permanent quarters for his tailoring establishment in the metropolis, in the near future. For many years he has enjoyed a liberal patronage from this valley and his work always gives satisfaction. Mr. Sondag will make regular weekly trips to the valley and solicits a share of the trade. Give him a trial order for a good suit and you'll be satisfied.

Consumptives made comfortable

Foley's Honey and Tar has cured many cases of incipient consumption and even in the advanced stages affords comfort and relief. Refuse any but the genuine Foley's Honey and Tar. L. S. Simmons.

Orange county chili pepper growers have contracted for this year's crop at \$25 per ton, green.

No Need of Suffering from Rheumatism.

It is a mistake to allow anyone to suffer from rheumatism, as the pain can always be relieved, and in most cases a cure effected by applying Chamberlain's Liniment. The relief from pain which it affords is alone worth many times its cost. It makes sleep and rest possible. Even in cases of long standing this liniment should be used on account of the relief which it affords. Do not be discouraged until you have given it a trial. For sale by L. S. Simmons.

The first arrest to be made under the new State law compelling the dipping of sheep was made at Cottonwood.

Grand Parlor Meeting

One of the most memorable meetings in the history of the order of Native Sons of the Golden West was the thirty-first session of the Grand Parlor, held in the famous Yosemite Valley last week.

Only three of the elected delegates from the various Parlor throughout the State were absent from the session. Patriotic enthusiasm and loyalty to the State of California were strong among those in attendance.

Abundant entertainment was furnished by the committee having charge of that part of the program. There was something doing every minute during the stay of the members of the Grand Parlor in the valley; in fact, the time was too short to take in all of the wonders and beauties of California's grandest valley.

In addition to two troops of United States cavalry stationed in the valley, under command of Major Benson, it has been conservatively estimated that there were twelve hundred people there during the week.

Among the many enjoyable features of the notable gathering may be mentioned the great pyrotechnic display Tuesday evening, it being unanimously agreed among those present that the fireworks were the biggest and best they had ever seen.

The exhibition cavalry drill by the troops on the campus in the valley was a rare treat to all, the various difficult maneuvers being skillfully executed.

On Wednesday the Grand Parlor adjourned during the day to allow the members to view the beauties and wonders of the valley. The attractions visited by nearly every one present were: Glacier Point, Yosemite Falls, Bridal Veil Falls, Nevada Falls, the Happy Isles, Indian Cave, Ribbon Falls, El Capitan, the Three Graces, the Three Brothers, Cathedral Spires and Mirror Lake.

In an equal area there is no section of the world that can show more grandeur of scenery and more natural wonders than Yosemite Valley, and the sons of the sturdy pioneers went home from the thirty-first annual session of the Grand Parlor, N. S. G. W., more impressed than ever with the beauties of California—the greatest State in the Union.

Stockwell Trial Ended

In Judge Seawell's department of the Superior Court, the jury in the case of Roy Stockwell, charged with burglarizing the Dew Drop Inn some months ago, found the defendant guilty of burglary in the second degree.

The boy was tried once before, when the jury disagreed. On the second trial the jury took two ballots, it has been stated, the first standing 11 to 1 in favor of conviction, the second 12 for conviction.

The young man will appear for sentence in a few days.

Trustees Meet

The regular meeting of the Board of Trustees of this city was called at the City Hall last Wednesday evening at 8 o'clock, Mayor Breitenbach presiding, and all members present except Trustee Quartaroli. Bills against the city were passed for payment, after which the Board adjourned until tonight at the usual hour.

Graduating Exercises

The Sonoma Valley Union High School has just closed another successful year. A large gathering of people from all over the valley witnessed the graduating exercises in Union Hall last Wednesday evening.

The hall was tastefully and beautifully decorated for the occasion. Occupying places on the stage were the faculty and graduates, the High School Board and the principal speaker of the evening, Rev. T. A. Boyer of Oakland.

All present were delighted with the evening's entertainment and with the able and entertaining manner in which the entire program was carried out. The program, though quite long, was not tiresome, and was listened to with intense interest throughout. Each and every number on the program was good, the participants receiving hearty applause for their efforts.

Special mention should be made of the graduates, who acquitted themselves very creditably indeed and plainly showed the careful training given at the Sonoma High School, the pride of the valley. The graduates were: Alice Rubke, who won the honors of the class, Lester Small, Alice Soderberg, Julius Dresel, and Annie Laurenzi. The class motto was: "Jeder ist seines Gluckes Schmied."

The following program was carried out:

The present Board of High School Trustees, who have handled the affairs of the school in an eminently satisfactory manner during the past year, consists of Robt. A. Poppe, Pres., Sonoma; Robert P. Hill, Secretary, Eldridge; R. J. Dowdall, Harvey district; P. H. Thompson, Huichica; Theo. Wagner, Enterprise; J. M. Allison, Flowery; Henry Rubke, San Luis; Mrs. Frances Young, Watmaugh; A. Froment, Dunbar.

The instructors of the High School who have shown their peculiar fitness and ability, by the satisfactory results of the year's work, will have charge of the instruction in the school again next year. They are Geo. C. Russell, Principal, Miss More, Miss Trueblood, and Mr. R. J. Platt, teacher of the commercial department.

Visitation Minstrels

The Visitation Minstrels of San Francisco are making preparations to put on a performance at Glen Ellen on July 3d for the benefit of St. Mary's Church of that town. The minstrel troupe are anticipating a fine time at Glen Ellen and have promised to produce a better show than ever before. Judging from past appearances, the Glen Ellen people will certainly get their money's worth if they attend the minstrel show on the eve of the National holiday.

Fourth of July Races

It is reported about town that there is to be an exciting and hotly contested horse race at the Sonoma Driving Club track on July Fourth. The speed rivalry will be between S. B. Lewis' noted beef-chasing "Nag" and Jack Kelly's mare "Boyes Hot Water." The stakes to be steaks of best quality measuring three inches in diameter. Reerees and riders to get outside the stakes. Owners must ride their own horses.

Big Time at Boyes

A large number of people were royally entertained at Boyes Hot Springs last Sunday at an elaborately prepared bull's head breakfast. Many of those present report having had the time of their lives.

Sensational Elopement

Some few days ago a man and a woman, accompanied by two children, a boy and a girl, aged respectively about 12 years and 7 years, came to Sonoma and registered at a well known hostelry.

Nothing happened to mar the pleasure of these happy people until Wednesday, when the irate husband of the woman appeared upon the scene and emphatically demanded several things.

He proceeded to blacken the optic of the fellow who had run away with his wife and children.

There was close and sudden connection between the eloper's optic nerve and his right-shoulder muscles. In less time than it takes to tell it the irate husband was sprawling on the floor with a broken jaw and his mouth contained several teeth that needed resetting.

The husband gave his name as George Weise and told the story of the elopement of his wife and S. Silen. The latter was arrested on a charge of battery and lodged in the City Bastille by Constable Ryan. He afterwards pleaded guilty and was fined \$10.

The genial Constable then called a Hague Arbitration Council, with Mr. and Mrs. George Weise and children and Lover Silen present as delegates. Result:—Mr. Weise took the two children and Mrs. Weise and Mr. Silen took their departure.

Sonoma Depot Burglarized

When Station Agent G. W. Reed went to the Northwestern Pacific depot Tuesday morning he found that some one had entered the building during the night, leaving evidence of having been searching for money.

The combination lock was broken off and nitro-glycerine poured into the safe. It looked as though three attempts were made to open the safe, but the old iron box did not yield to any of the attempts.

As Mr. Reed had just deposited money on hand Monday afternoon, very little would have been secured by the thief anyhow. The burglar was evidently a novice at the business. Officers are keeping a sharp lookout for the criminal.

Big Doings at Caliente

The Monticello Club of Vallejo, in full force, had a great time at Agua Caliente Hot Mineral Springs last Sunday. Mr. and Mrs. Theodor Richards entertained their guests royally, and upon departure all expressed their appreciation for the jolly good time given.

The Snowball Club, also of Vallejo, will have their annual outing at the same place on Sunday, June 7th, when it is estimated that more than 600 people will be present.

The Macabees will be there with a band on June 31st, and on June 28th the Boiler Makers of America will enjoy the hospitality of Agua Caliente Springs, upon the occasion of their yearly basket picnic and outing.

The public are cordially invited to all of the events.

Successful Concert

The concert and dance given last evening in Union Hall by the Masonic Home Band of Decoto, Cal., was a decided financial and social success.

All parts of Sonoma Valley were well represented, and the many musical numbers were greatly enjoyed by all.

The committee having the affair in charge deserve much praise for the able manner in which the event was handled, as do also the boys and their instructors for the excellent program rendered.

The committee of arrangements was composed of Mrs. G. H. Hotz, Miss Doris Clewe, Miss Mattie Goodman, Jesse Barris, H. F. Bates and John D. Wagon.

Apron and Necktie Party

The Plaza Section of the Sonoma Valley Woman's Improvement Club will give an "apron and necktie" party in Union Hall on Saturday evening, June 13.

Mrs. Ada Pauli will furnish the music and a fine time is assured to all who attend. The proceeds go toward the Plaza Fund, which will be used for the purpose of improving our historic plaza. Don't fail to go. Admission only 25 cents.

Ask for \$1,000 Reward

The people of Glen Ellen and vicinity are naturally very much wrought up over the actions of the dastardly fiend who has repeatedly set fire to the property of their genial neighbor, Frank Lemoine.

A mass meeting of the citizens of Glen Ellen was held Wednesday afternoon to discuss the unfortunate situation, to extend sympathy to Mr. Lemoine and to devise ways and means of apprehending and punishing the incendiary if possible.

N. S. Trowbridge was president of the meeting and A. M. Hardman acted as secretary.

The following resolution was adopted unanimously:

"Resolved, by the citizens of Glen Ellen and vicinity, in mass meeting assembled: That we hereby express to our neighbor, F. Lemoine, our heartfelt sympathy and sorrow for his misfortune in having his property repeatedly destroyed by an incendiary, and we hereby pledge ourselves to do all in our power to detect and bring to justice the miscreant guilty of these crimes; and we respectfully request our Honorable Board of Supervisors to offer no less than \$1,000 reward for the arrest and conviction of the guilty person; and we further request that the Honorable Board of Supervisors authorize the District Attorney to employ one or more detectives to ferret out the perpetrators of such crimes whenever necessary."

DIRECTNESS AND ACCURACY.

DOCTOR PIERCE'S AIM ALWAYS HAS BEEN to give positive and VALUABLE SERVICE for every dollar received, therefore when he began professional life he sought to

AIM STRAIGHT AND HIT THE MARK, especially in the treatment of a very large class of cases that were being mistreated by many physicians through ignorance of their real nature.

This necessitated going TO THE ROOT OF THINGS in two special senses—IN CAREFUL, EXHAUSTIVE STUDY to know what was the real cause of the innumerable aches, pains, drains and weaknesses which afflicted women, and AGAIN TO THE ROOTS which Nature had provided so plentifully for the HEALING OF MANKIND.

Thoroughly convinced that alcoholic stimulants and medicines prepared with alcohol did far more harm than good, Dr. Pierce prepared his remedies, extracted their virtues and preserved them without alcohol, then, guided by actual experience, formed combinations by which a minimum of medicine produced the maximum result.

This insured his success and gave him the reputation of "the successful specialist," and, quite naturally, the prescription that he thus used most became "HIS FAVORITE," and was the origin of

Dr. Pierce's Favorite Prescription as now known. In no sense is it a "patent medicine," or even a secret one, but a REAL PRESCRIPTION OF A REAL DOCTOR.

that had run into great popularity because it cured more than ninety-eight out of every hundred of the cases in which it was correctly used.

One of the important ingredients of this now world-famous "FAVORITE PRESCRIPTION" is BLUE COHOSH ROOT, which was in great repute among the American Indians a century ago. The squaws used it for the relief of their special troubles, particularly for the easing of the pains of maternity, calling it "Papoosie root." Then there are four other ingredients in this "Prescription," namely: Lady's Slipper root, Black Cohosh root, Golden Seal root and Unicorn root.

It Stands Alone not only in respect to its specific, advertised remedy for women's diseases which absolutely CONTAINS NO ALCOHOL.

It Stands Alone as the one medicine for women, the makers of which take their patients fully into their confidence and tell them exactly what they are taking. This Dr. Pierce can afford to do, because his "FAVORITE PRESCRIPTION" is made of such ingredients and after a working formula that has thousands of cures to its credit, placing its merits above criticism.

1000-page Doctor Book sent free on receipt of 21 one-cent stamps to cover postage only; 21 stamps for cloth-bound copy. Formerly sold for \$1.50 to extent of over 500,000 copies. Every family should possess a copy for ready reference in case of sudden illness or accident. It is illustrated with hundreds of woodcuts and several colored plates. Address Dr. R. V. Pierce, Buffalo, N. Y.

Prunes in Napa county will be about three-fourths of a crop.

Fruit men are elated over the heavy crop on the trees near Placerville.

Sacramento Valley alfalfa fields are getting heavy crops for first cuttings.

Seven dollars per ton is being offered for alfalfa in the cock at Marysville.

Sonoma county makes the boast that the county never had, and does not need, a single irrigating ditch.

Farmers about Yuba City have stored at that place about 400 bales of wool, which is pooled in one bunch.

Mrs. S. L. Bowen, of Wayne, W. Va., writes "I was a sufferer from kidney disease, so that at times I could not get out of bed, and when I did I could not stand straight. I took Foley's Kidney Remedy. One dollar bottle and part of the second cured me entirely." Foley's Kidney Remedy works wonders where others are a total failure. L. S. Simmons.

Ferdale has the contract to deliver to the navy at the Mare Island navy yard on June 10th 100,000 pounds of butter.

Mrs. S. Joyce, Claremont, N. H., writes: "About a year ago I bought two bottles of Foley's Kidney Remedy. It cured me of a severe case of kidney trouble of several years standing. It certainly is a grand, good medicine, and I heartily recommend it." L. S. Simmons.

The Sacramento Valley Sugar Company, at Hamilton City, promises to open up another tract of 5,000 acres of land for settlement.

W. R. Ward, of Dyersburg, Tenn., writes: "This is to certify that I have used Foley's Orino Laxative for chronic constipation, and it has proven without a doubt to be a thorough practical remedy for this trouble, and it is with pleasure I offer my conscientious reference." L. S. Simmons.

The Watsonville Pujerion says that packing house representatives are beginning to make accurate inspection of the apple orchards to ascertain the prospective yield, in order to be prepared to bid on fruit. No sales have yet been reported.

Stomach Troubles. Many remarkable cures of stomach troubles have been effected by Chamberlain's stomach and liver tablets. One man who had spent two thousand dollars for medicine and treatment was cured by a few boxes of these tablets. Price, 25 cents. Samples free at L. S. Simmons's drug store.

A swindling scheme has been unearthed by which a San Francisco concern has been disposing of a tract of worthless land in Tulare county to Easterners.

Sore Nipples Any mother who has had experience with this distressing ailment will be pleased to know that a cure may be effected by applying Chamberlain's salve as soon as the child is done nursing. Wipe off with a soft cloth before allowing the babe to nurse. Many trained nurses use this salve with best results. For sale by L. S. Simmons.

Orchard City Grange, at Campbell, at a recent meeting, reported hay crops in fair condition, prune crop almost a failure and apricots about half a crop.

Born in Iowa Our family were all born and raised in Iowa, and have used Chamberlain's Colic, Cholera and Diarrhoea Remedy (made at Des Moines) for years. We know how good it is from long experience in the use of it. In fact, when in El Paso, Texas, the writer's life was saved by the prompt use of this remedy. We are now engaged in the mercantile business at Narcoossee, Fla., and have introduced the remedy here. It has proven very successful and is constantly growing in favor.—ENNIS BROS. T. R. mody is for sale by L. S. Simmons.

The San Benito Advance says the warm weather of the early spring, followed by a cold spell, destroyed the grasshopper eggs of the San Joaquin valley,

For a Sprained Ankle

As usually treated, a sprained ankle will disable the injured person for a month or more, but by applying Chamberlain's Liniment and observing the directions with each bottle faithfully, a cure may be effected in many cases in less than one week's time. This liniment is a most remarkable preparation. Try it for a sprain or bruise or when laid up with chronic or muscular rheumatism, and you are certain to be delighted with the prompt relief which it affords. For sale by L. S. Simmons.

Thorough inspection of orange trees in Yuba City is soon to be taken up, to determine as to whether there are any white flies located there.

You Should Know This Foley's Kidney Remedy will cure any case of kidney or bladder trouble that is not beyond the reach of medicine. No medicine can do more. L. S. Simmons.

Hanford fruit growers are studying the proposition of securing white labor in their orchards this summer.

It is predicted that about one half of last year's prices will be obtained for this season's dried apricots.

No Humbug

No humbug claims have to be made for Foley's Honey and Tar, the well known remedy for coughs, colds and lung troubles. The fact that more bottles of Foley's Honey and Tar are used than of any other cough remedy is the best testimonial of its great merit. Why then risk taking some unknown preparation when Foley's Honey and Tar costs you no more and is safe and sure. L. S. Simmons.

Prospects for a good fruit crop in Tulare county were never more flattering.

Deafness cannot be cured

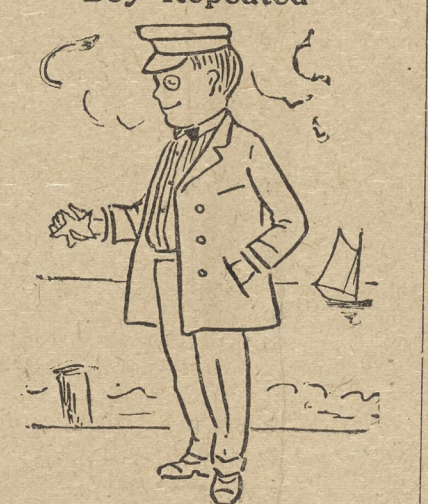

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored forever, nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

Wise Talks by the Office Boy Repeated

My, but wasn't the President vexed when Congress turned down his four battleships and gave him only two. The big kick didn't change things this time, because Uncle Joe's bunch was too busy scrapping with troubles of their own. In spite of my high regard for Mr. Roosevelt, I take issue with him (gee, think of a kid taking issue with the President) on the further expenditure of our cash for battleships. I would like to see the Government offer a couple of millions in prizes for the most practical inventions in aeroplanes or flying gunboats. It would bring out the best talent in the country, and there is any amount of it in the U. S. It wouldn't be 6 months until we'd have a flying armada that would make the other nations look like a four-flush. We are flying some around this store to fill our orders this month, but nothing scrappy. Everything peaceable and harmonious and trim full of style.
